Prompt Attention:

When an account is placed for collections, our efforts are generated within moments with professionalism and effectiveness by our Bi-Lingual Staff.

OUR COLLECTION PROCEDURES ARE NOT PREDICATED UPON GUESS WORK.

They are predicated upon hard facts and a wealth of information acquired by more than 25 years of "hands on experience."

Our entire staff are professionals who know the importance of your cash flow, prompt recovery and regenerated profits.

Thousands of dollars are spent investing in our management team to maintain the high performance standards we know you require. Our staff is therefore always ready with the technical skill to serve you.

YOU HAVE PROVIDED VALUABLE SERVICES AND ARE ENTITLED TO PAYMENT
